President's Report

Moving On
I will be standing down from the position of School Council President at the end of the year. It has been a pleasure to serve the PMPS community as Council President for the past five years, and I have appreciated the support that all of you have given me during my time as President. School Council has agreed that Annette Maloney will be Acting President from the commencement of 2016 until the Council elections in early March.

Mini Working Bee
The Buildings & Grounds Committee is holding a short working bee from 5pm next Thursday to ensure that our grounds are in tip top condition for the fete. You are ALL welcome to assist! There will be a short meeting of the B&G committee after the working bee.

PFA Funding Update
So far this year, our PFA has raised just under $60000, and has spent, or committed to spend just over $68000 in supporting a variety of programs at the school ($4500), upgrading the Wireless Network ($6500), and LED TVs ($4000).

Major projects funded include the recently installed Year 1/2 Playground shade sails ($20000), ICT for the new Mod 10 ($10000), a new shed for the PFA ($10000), Acoustic Treatment for C Block ($9000), School Signage ($4500), upgrading the Wireless Network ($6500), and LED TVs ($4000).

Major sources of income this year have been the Trivia Night ($48000), the Easter Raffle ($6700), the Dad’s Footy Day ($2000), the Bunnings BBQ ($2000), and our student stalls such as Mothers’ & Fathers’ Day ($5000).

Fete Monies
The Bank of Melbourne is assisting the fete committee to ensure the security and prompt banking of all monies received on Nov 29, and I look forward to announcing a large net figure for monies raised in two weeks’ time.

Qkr Payment App
Often it’s a rush to get the children out the door and off to school in the morning, payments for events get forgotten and then it’s too late. School Council have resolved to solve this problem by implementing the App - Qkr by MasterCard. With Qkr you no longer need to spend valuable time organising cash for an excursion or special food day – you can do it all on your mobile at a time that suits you. And no you don’t need to have a MasterCard to use the App.

Go to App store/Google (Qkr) or follow this link http://www.portmelb.vic.edu.au/wp-content/uploads/How-to-Guide-Port-Melbourne.pdf to the How to Guide on the school website, type in PRMEL to login with our school, register your children’s details and within minutes you’re ready to go.

The PFA are having a Sushi special food day on December 10 (further detail in PFA section of newsletter). Sushi can only be ordered via Qkr, so logon and give it a go.

Principal's Report

A Job Well Done!
Michele Williams has been an outstanding School Council President since her election in March 2011, having joined the Council 12
months earlier. Michele has been a very strong advocate for our school community and has succeeded in extracting funds from DET for a variety of purposes such as the upgrading of the B Block cooling system and the B Block toilets.

Michele has been the very public face of the Council, and has been vitally involved in numerous public meetings, negotiations with a variety of external providers, such as those who deliver our instrumental music program, and played a major role in the development of our current School Strategic Plan, where she drew high praise from the DET staff involved in the process. I’m sure that she will still be available to support our next Council as it deals with the many challenges that confront our school community.

**Family Life Sessions**

These sessions were very popular and well attended by members of our school community. For some families these sessions reinforced and affirmed their existing practices around educating their children on Human Sexuality whilst for others it was an opportunity to open up those conversations, support parental confidence in discussing these issues and assure children that adults/parents are a valuable resource.

The first two sessions had over 35 families with one to two children accompanying an adult. Session three later in the evening was a lot more intimate and tackled issues very delicately, but at the same time didn’t dumb down the concepts and explicit nature of our bodies and the changes that occur over time.

Parent feedback has been very positive as indicted by the following comment: *My family attended two Family Life sessions last Wednesday evening. The presenter, Nicole, created a very relaxed and fun environment to learn and discuss some really important things about our bodies.*

*The content was age appropriate and handled sensitively, and effortlessly promoted discussion amongst family members. The talks were finished with Nicole reminding our children that their family members are a valuable source of knowledge when it comes to growing up and changing.*

My family really enjoyed the sessions which have facilitated some great conversations at home.

**CyberSafety ~ Staying Safe Online**

A parent information session on CyberSafety is being held at school on Monday night from 7:30 – 9:00pm.

**Cybersafety - What you must know to protect your child from harm.**

You'll experience important information such as:

- What are the essentials of Cybersafety for parents?
- What are the current Cybersafety risks for different age groups and what can we do about them?
- What can you do if your child has experienced Cyberbullying before it gets worse? What are the signs you need to look for?

Examples of what parents from other schools have said about Georgina Pazzi’s Cybersafety presentations

- "I'm so glad I came. I didn't realise there was so much more to know about Cybersafety."
- "I wish all parents knew this stuff. So helpful to me. Thank you."

Georgina Pazzi is a leading expert on learning, pedagogy, ICT and wellbeing. She works extensively with families, presenting regularly on important topics such as Cybersafety, transition and challenging behaviours. She is a great believer in the power of parenting and understands the challenges faced in raising happy children. She has recently been an expert presenter on parenting and student challenges in the Weekly Review.

**We strongly recommend at least 1 parent from every family attends this session, especially those families who will have children in Years 5 and 6 in 2016.**

Further information is included in the flier attached to this Newsletter.

**Art Show**

The PMPS annual Art Show will be on from Monday 30th November to Friday 4th December. The Art Show opening hours are from 3:30pm to 4pm during that week. To coincide with the Christmas Concert this year, the Art Show will also be open from 5pm on Concert night,
Thursday 3\textsuperscript{rd} so you can enjoy both Visual and Performing Arts on the one evening. See the attached flyer for more information.

**Fete Helpers Wanted**
We urgently need help with a range of tasks including waste management (emptying bins), managing car movements and parking, and assisting with bumping in and out.

Please help for a 2 hour stint. If you can assist, please record your name at https://docs.google.com/spreadsheets/d/1GkBgl6SjoF1v9gBbEFFLxJ7ToqHspmh9KIQpuHL_h20/edit?usp=sharing and look for the B&G tab.

**End of Year Concert**
Planning is well underway for our annual Concert on the evening of Thursday 3\textsuperscript{rd} December. All our students will have the opportunity to perform on stage and the PFA will provide a BBQ and some light refreshments.

**Swimming Training**
We will commence our preparations for the District Swimming Carnival to be held on Friday 26\textsuperscript{th} February at the Prahran Pool, with swimming trials at MSAC at 7.30am on Tuesday and Thursday of next week. Permission forms will be sent home tomorrow. Once our trial squad has been selected, the students will train regularly under supervision at MSAC, with the actual competitors being selected in early February.

**Building Works**
In the last two weeks of term, there will be some disruptions to our Year 1 program, as two of the Mod 5 buildings are relocated a few metres towards Poolman St to allow for the installation of a new double storey classroom building over the holidays. 1A & 1B will be relocated for the last fortnight of term with 1E & 1F being relocated for the last week of term. Further details will be provided closer to the event.

**Friday Assembly Roster**

**The Fete Awaits**
Not long to go until our fete extravaganza! The forecast is looking beautiful so keep your fingers and toes crossed for fine weather.

Thanks to all who have put their names down on the rosters for the day. There are still many spots to fill so please have a look and pop your name in for a couple of hours. See below for links to the various rosters.

**Special Food Day - Sushi**
On Thursday 10th December the PFA is having a sushi lunch day at school. Sushi will be provided by *Yurakucho Modern Japanese Eatery* in Bay St. There will be 3 flavours to choose from Salmon, cooked Tuna and Avocado. Each sushi roll will cost $3, order as many as you like, mix and match is fine.

We will be only accepting orders through the new Qkr app, details of which have been previously mentioned and on the school website. Please see the school website for details on how to download Qkr.

Final orders need to be in by Monday 7\textsuperscript{th} December at 12.00 noon to ensure we get all orders to *Yurakucho*.

The sushi will be freshly made and delivered on the day. Please note we are unable to cater for any food intolerances or allergies.

As with all our PFA food days we cannot do it without volunteers. Please use the link below to access our volunteer spreadsheet to help us pack and deliver the sushi to the classrooms. We will
need volunteers from 12.00 till 2.00. The more the merrier.

Christmas Concert BBQ – 3rd (or 7th) December
We are delighted to offer a BBQ for the Christmas Concert again this year, allowing parents to come along and enjoy the festivities, without the picnic panic. We plan to offer pulled lamb, pork and chicken rolls, and sausages for the kids. Soft drinks and water will also be available for purchase.

The dedicated John Sculley is our main man, and he will be rounding up some strapping blokes to help him on the evening!

If you are fabulous behind the BBQ or at shredding a chook, please pop your name down on the roster below, and show us what you’re made of.

Teacher and Staff Thank you Lunch – Thursday 10th December
Each year, the PFA hosts a lunch to thank our wonderful staff. This year, it will be held on Thursday 10th December in the staff room. If you are keen to be involved, or donate a plate, please let us know what you would like to contribute at pmpparentsandfriends@gmail.com, so we can arrange catering on the day. We currently have 60 staff.

Prep Morning Tea – 1st Feb 2016 & Prep Welcome BBQ (TBC)
The Prep Parent Welcome morning tea will be held on the morning of 1st February 2016, after the Preps begin their first day of school. If you are able to run this morning tea, or assist or bake, please let us know via email pmpparentsandfriends@gmail.com

It is really nice for the new families coming to the school to be warmly welcomed by some friendly faces so even if you can pop in for half an hour it would be great.

Roster:
https://docs.google.com/spreadsheets/d/1RSYgmc6RxtK2x1L71SwvGKa5Mz07-kxVC8qVXYv/edit?usp=sharing

The Prep welcome BBQ will be held in the following week and the date will be confirmed soon. We plan to have the rosters for these events filled prior to the end of the 2015 school year, to avoid the usual rush at the beginning of next.

We encourage this year’s Prep families to host these events, and welcome the incoming prep families to our wonderful school.

New PFA Presidents 2016
PFA Co-Presidents & Treasurer 2015 Sim, Thea and Lizzie are standing down from their PFA Executive positions next year as they believe that it’s probably time for some fresh faces! If you are keen to take one of the roles, or if you know of some fantastic parents who would be ideal, please let us know. We will of course be around to offer an easy transition, and will still run the trivia night for next year. We are also delighted that the PFA family has increased, and we have many parents who now take on other committee roles, alleviating some of the pressures which were once associated with being president. Please contact us at PMPSparentsandfriends@gmail.com, or call Sim 0419 559 410 or Thea 0438 084 186 if you’d like to discuss further.

FETE

SUNDAY NOVEMBER 29
10AM - 8PM

With thanks to our major sponsors
Hello there,

This week Prue came to help us out in the garden and we made a beautiful Morocan Broadbean Salad using the produce we grew on our own!

First, we went into the garden to **pick the broadbeans** (which are much taller than we are). Our helpers were amazed by how huge they were and became very excited about growing and gardening.

Then we followed Jamie Oliver’s recipe to make the best garden club salad ever. Everybody helped in some way, whether it was stirring, pouring, chopping or washing.

We would all like to say **thank you** to Prue and the lovely people who have continued to water the garden and to those who have recently volunteered – it would be a very different garden for our students without you!
