Fete Fantastic
There are only three more sleeps to our biggest and best fete ever at PMPS. The action starts at 10am and continues until 8pm, with rides, entertainment, a food and wine precinct, a community sports hub, a spinning wheel and raffles. Local celebrities including our Principal, the Mayor and local member and Minister for almost everything, Martin Foley, will be victims of the dreaded dunking machine.

Please support all our wonderful sponsors who have supported the Fete. Our school cleaners, Typhoon Enterprises, have agreed to donate their services on Sunday and I acknowledge this generous commitment.

We are still looking for volunteers to help in various ways at the fete, and you can add your name to a roster via the links in the PFA report.

I look forward to seeing all of you on Sunday.

Bay St Festival Tomorrow
The annual Bay St Festival will run from 5pm onwards tomorrow afternoon. Our choir will be performing at Thomas Dux (5pm), Holy Trinity Church (5.30pm), Coles (6pm) three different locations from 6.30pm onwards and will sing ‘Reach’ on the main stage with all participating choirs at 7pm.

There will be twelve other school choirs and bands. Please come along to support our students and enjoy the Bay St celebrations.

Concert Next Thursday
Our annual School Concert will be held on the oval on Thursday 3rd December (weather permitting), starting at 6.30pm SHARP.

The concert length will not, hopefully, exceed 60 minutes. All through the school, classes are working on a song to present, and the excitement is building!

If the weather is not suitable, the alternate concert day will be Monday 7th December. You will be advised via the Newsletter and Konnective.

Please note that students are required to sit with their classes in front of the stage. After they have performed they will return to sit with their class. This will minimise interruptions to those watching and enjoying the concert. Please stay and enjoy the 'show'!

The following areas are “out of bounds” during the concert:
1) The stage area is out of bounds to all, unless with teacher supervision. Please do not allow young children on it. 2) The Spider Climbing Frame is out of bounds during the entire concert. No-one is to climb it, and it will be cordoned off from 6.15pm in preparation for the concert.

Classroom teachers will advise their classes individually about what time they want you to meet, and where, according to their performance needs.

The PFA will provide a BBQ and light refreshments will be available. As we are not covered by a Liquor Licence, alcohol should not be consumed in the school grounds.

Families are requested to walk to the school on Thursday evening as there will be very little parking available.

Students who arrive prior to 11am on the morning after the Celebration will NOT be marked as late on the roll!
Concert Stage Building
If you are available to help build the stage from 9am on the morning of the concert, please see Maria, or email her on chadwick.maria.f@edumail.vic.gov.au. Please bring light work gloves to protect your hands. Your assistance to help dismantle it would also be greatly appreciated, if you can give us 20 minutes of your time at the end of the concert.

Art Show
The PMPS annual Art Show will be on from Monday to Friday next week. Opening hours are from 3:30pm to 4pm during that week. To coincide with the Christmas Concert this year, the Art Show will also be open from 5pm on Concert night, Thursday 3rd so you can enjoy both Visual and Performing Arts on the one evening. See the attached flyer for more information.

Stationery Lists 2016
On Monday the Stationery Lists for 2016 will be sent home with your children. Payment for the lists can be paid via our new method Qkr! (details on the school website). Payment by 5pm on Monday 14th December will guarantee delivery in time for the beginning of the school year. All families who have paid for their Stationery Lists via Qkr! by this time also go into the draw to receive their Stationery Packs free of charge. Copies of the lists will also be available on the school website at each year level.

Year 7 Orientation Day
On Tuesday 8th December, our Year 6 students will be spending the day at their 2016 secondary schools. Students attending Albert Park College will attend there from 11am to 3pm followed by an information evening for parents at 7pm.

Our 2016 Preps will attend here from 9.15am to 10.45am that day and meet their 2016 classmates and class teachers, while our current 2015 students will meet their 2016 classmates later this term.

Cybersafety Parent Session
This session, held last Monday evening, was well attended by over 60 parents. Georgina Pazzi from Edumazing presented for 90mins on the importance of digital technology and learning. There was a lot of information to take in from the presentation; we hope those that attended took home many great strategies to help support their children, encouraging safe online behaviours.

A key message from Georgina was that parents need to know what sites/activities their children are accessing, and where in the house this is taking place. Parents should have the passwords to their child’s accounts, and all online activity for children should be monitored in a well supervised area, ie not in their bedrooms with the door closed!

Another key message is that parents need to know what support is available to them when/if an incident of cyberbullying occurs. There are many legal paths that parents and young people can take to deal with this issue. Please see the following link for more information: www.esafety.gov.au

The school will hold more Cybersafety parent sessions in 2016. Dates will be confirmed in the new year.

Swimming Training
Thank-you to Simon Magasanik who has again conducted our first round of swimming trials at MSAC. A provisional training squad will be announced next week, although there will be further opportunities for students to trial for the team itself which will be finalised next February.

2016 Swimming Program
While our Prep – Year 4 swimming program will again take place at MSAC, our Year 5 & 6 program, which takes place in term 1, will be run by Life Saving Victoria at Port Melbourne beach and will address a range of skills associated with open water swimming.
Take-Home Readers – Final Week!
Next week is the final week that students will bring school Take-Home Readers home to read with you. ALL Take-Home Readers must be returned to school by Thursday, 3rd of December. Please check around the house for any books that may have accidentally been kept at home. (They will have a coloured dot on the cover and the school stamp inside.) We encourage you to make use of your local library, family collection and other relevant text around the community to continue to support your child(ren) in their reading.

Special Food Day - Sushi
On Thursday 10th December the PFA is having a sushi lunch day at school. Sushi will be provided by Yurakucho Modern Japanese Eatery in Bay St. There will be 3 flavours to choose from, Salmon, cooked Tuna and Avocado. Each sushi roll will cost $3, order as many as you like, mix and match is fine.

We will be only accepting orders through the new Qkr app, details of which have been previously mentioned and on the school website. Please see the school website for details on how to download Qkr.

Final orders need to be in by Monday 7th December at 12.00 noon to ensure we get all orders to Yurakucho.

The sushi will be freshly made and delivered on the day. Please note we are unable to cater for any food intolerances or allergies.

As with all our PFA food days we cannot do it without volunteers! To help us pack and deliver the sushi to the classrooms, please use the link below to access our volunteer spreadsheet. We will need volunteers from 12.00 till 2.00. The more the merrier.

We are delighted to offer a BBQ for the Christmas Concert again this year, allowing parents to come along and enjoy the festivities, without the picnic panic. We plan to offer pulled lamb, pork and chicken rolls, and sausages for the kids. Soft drinks and water will also be available for purchase.

The dedicated John Sculley is our main man, and he will be rounding up some strapping blokes to help him on the evening!

If you are fabulous behind the BBQ or at shredding a chook, please pop your name down on the roster below, and show us what you’re made of.
