President's Report

Congratulations to everyone who was involved in organising our wonderful fete last Sunday. We have raised almost $60000 for the school, and this will provide a range of much needed resources such as additional playground equipment and learning technologies hardware.

For an aerial view of the fete action, visit https://vimeo.com/147163732

The fete brought all sections of our local community together for a great shared experience. It is impossible to put a price on the goodwill generated this way. Please support the many sponsors who greatly contributed to the success of the fete.

Principal's Report

A Great Fete!!

My congratulations and sincere thanks to all the parents, committee members and staff involved in organising this fabulous event! A separate Fete Wrap-up newsletter will go out to families next week.

Bay St Festival

Last Friday, our Modern Choir entertained the Xmas shoppers in Bay St for over two hours with a very impressive repertoire of songs. Miss Jessica has prepared the students so well, that, in her absence, Montanna Gunn very ably deputised for her. Our students then competed against several other local choirs for the annual Mike Brady Cup (the *Up There Cazaly* singer was born and raised in Port Melbourne), and we again performed admirably on the stage in Liardet St.
After Concert Arrangements
Students who arrive prior to 11am on Friday will NOT be marked as late on the roll!

Concert Stage Dismantling
Thankyou if you were available to help dismantle the stage at the end of the concert, your assistance was greatly appreciated.

Buildings & Grounds Update
Work commences at the weekend on the installation of our new double storey relocatable classroom. Almost half the oval will be a worksite from Monday until the end of the holidays.
To relieve overcrowding at lunchtimes, our Year 2s will be permitted to come to Garden City at lunchtimes to play ball games.

In preparation for the installation of the Mod 10, Miss Keenan and Miss Alex’s classroom will be unavailable next week as it is being relocated four metres closer to Poolman St. On Friday afternoon, Miss Keenan’s class will move to the French room (in B Block) for the remainder of the year, while Miss Alex’s class will move to the top floor of the Year 6 Mod 10.

The following Friday, Miss Jessica and Miss Candy’s classes will move to Miss Keenan’s former building while the middle Mod 5 is also moved four metres closer to Poolman St.

Miss Karen and Mr Peter’s building will be removed from the school grounds in the week before Christmas and replaced with the new Mod 10.

**Healthy Eating**

Port Melbourne Primary School is working closely with a number of council initiatives to support our students and their families. The Social Health & Inclusion Port (SHIP) is a 5 year initiative of Inner South Community Health Service that brings together local residents and community organisations to improve the health and wellbeing of the Port Melbourne community.

At Port Melbourne Primary school we have been working with a Healthy Eating Group to:
- supporting people to have the knowledge, skills and resources to eat a healthy diet
- bring the community together to support others to eat well
- make it easier to access healthy food

At the Fete, the Healthy Eating Group ran a stall providing information, healthy snacks and surveys to parents and community members. The group are requesting that, if you didn't get the chance to complete the healthy eating survey on Sunday at the Fete and would like to, please access the survey at the following link [https://www.surveymonkey.com/r/SG9VXPD](https://www.surveymonkey.com/r/SG9VXPD).

The Healthy Eating group would like to know what support you would like in 2016 to help our kids eat well! And to help us start measuring progress, they're asking you to let us know what your kids are currently having in their lunch-boxes. A $100 Coles voucher combined with a 1-hour family nutrition consult with Lisa Minton, Childhood Nutritionist of Eat for Life is up for grabs! The survey closes Monday 7th December 2015.

Preparing for Primary School
Uniform: check. School bag: check. Social and emotional skills: check?

A child faces big changes to their little world when they start primary school. Things like the physical environment, rules and procedures, and expectations to socialise and start formal learning are all-new and can be really daunting. Think about how you’ve felt starting a new job or going to a party where you don’t know anyone. It’s even harder for kids as they don’t yet have well-developed interpersonal skills.

But don’t panic. You just have to look at starting school as a process that starts before the first day and continues on into the school year. It just takes a bit of awareness and preparation on your part to get your darling school-ready. In fact, kids who start off in a positive way are more relaxed, are better learners, have stronger relationships, and generally feel like they belong.

Here’s some information to get you in the zone. You can make sure your child has the best start possible by supporting their:
• social skills – line up some play dates and encourage sharing and taking turns. Practise the back-and-forth of conversation, and chat about social rules (eg “We have to wait to have our chance to speak, don’t we?”)
• emotional skills – give them extra warmth and support if they’re feeling vulnerable. Show them how to express and label their emotions as they arise (eg “It sounds like you’re really angry at your brother. Do you want to tell me about it?”)
• independence skills – encourage them to take responsibility for tasks (like dressing or going to the toilet by themselves) and to care for their belongings. Let them make small choices (say, about what clothes to wear or snacks to pack) to boost their confidence
• learning skills – help them recognise letters and numbers (not that they need to know how to read or write yet), and to focus on small tasks. Work with them on listening and following instructions (eg “Now that I’ve shown you how to mix the cordial, let’s see if you can do it by yourself!”).

Parents & Friends

What a Fantastic Fete!!
We can’t thank you all enough for your massive contributions, time and effort with our Fete on Sunday. It was a fabulous day, and we are so proud to be part of such a vibrant and active school community.

Principal Pete, Mr Neil, Mayor Bernadene Voss and Minister Martin Foley survived their turns in the dunking machine, while John Sculley’s Haunted House will be long remembered by the children who survived their visits there.

There were some amazing performances on the main stage, headlined by Miss Jessica and the Big Bang Band, but there was some amazing talent on display from several of our own students.

A final Fete Newsletter will be available in a day or two, with a detailed report on the monies raised, some great action photos and full list of all of our wonderful sponsors.
**Special Food Day - Sushi**
On Thursday 10th December the PFA is having a sushi lunch day at school. Sushi will be provided by *Yurakucho Modern Japanese Eatery* in Bay St. There will be 3 flavours to choose from, Salmon, cooked Tuna and Avocado. Each sushi roll will cost $3, order as many as you like, mix and match is fine. We will be only accepting orders through the new *Qkr* app, details of which have been previously mentioned and on the school website.

Please see the school website for details on how to download *Qkr*.

Final orders need to be in by Monday 7th December at 12.00 noon to ensure we get all orders to *Yurakucho*.

The sushi will be freshly made and delivered on the day. Please note we are unable to cater for any food intolerances or allergies.

As with all our PFA food days we cannot do it without volunteers! To help us pack and deliver the sushi to the classrooms, please use the link below to access our volunteer spreadsheet. We will need volunteers from 12.00 till 2.00. The more the merrier.

**Teacher and Staff Thank you Lunch – Thursday 10th December**

Each year, the PFA hosts a lunch to thank our wonderful staff. This year, it will be held on Thursday 10th December in the staff room. If you are keen to be involved, or donate a plate, please let us know what you would like to contribute at *pmpsparentsandfriends@gmail.com*, so we can arrange catering on the day. We currently have 57 staff.

**Christmas Decoration Fundraiser**
We know this is a super busy time for all but the lovely Sally Esse has volunteered her time and skills to produce personalised Christmas decorations. They make the perfect Christmas gift. Order via *Qkr*. All funds raised go directly to the school.
